

PPO NETWORK INSURANCE

We participate in the following insurance programs:

Blue Cross / Blue Shield Network of Texas	One Health / Great West
Ethix Southwest / Texas TrueChoice	United Payors PPO
Beechstreet PPO	USA Health Network PPO
Healthsmart PPO	National Healthcare Alliance
Unicare	Benefit planners PPO
Aetna / United Healthcare Network	Humana / ChoiceCare
PHSCS (Private Health Care Systems)	Valley Health Plans
Cigna	

If your plan falls into one of the above programs, you will need to pay office visit copays deductibles, and or co insurance today. Your co-pay may not be all that you will be held responsible for. Please see the following circumstances in which we will look to you for payment in full on this account.

If your insurance determines that services rendered are “medically unnecessary” we will turn the claim to your responsibility and look to you for payment in full.

Additionally if your insurer holds up the processing of your claim for any reason for more than 60 days after your visit with us, we will turn the claim to your responsibility and look to you for payment.

If your insurer denies payment for a preexisting condition, we will turn the claim to your responsibility and will look to you for payment.

If your plan is not listed above, you will be required to pay for your visit in full today.

We send out statements to our patients once per month. These will show the portion that you are currently responsible for. Please be aware that this amount may change as additional insurance payments come in. If you have any questions, you are always welcome to contact our business office. If you have questions about your benefits through your insurance carrier, please call the number on your insurance card.
